Seven Comforts decorative throw pillows are made with the finest materials and craftsmanship to deliver a luxurious combination of style and comfort. A wide variety of premium fabrics are available in a hand-picked collection of colors, patterns and textures, all carefully selected by our designers in accordance with popular interior design trends. With hundreds of designs to choose from, Seven Comforts throw pillows will provide the perfect finishing touch to any décor theme or occasion.

Each Seven Comforts throw pillow includes our exclusive pillow insert - the culmination of our 20+ years of pillow design and manufacturing experience. With a unique fill material of 25% all-natural latex foam and 75% white goose feather, the Seven Comforts pillow insert is plush to the touch, yet provides a satisfying level of firmness that does not degrade with use. It will not become flat and mushy like an all-feather pillow, nor will it sag or turn lumpy over time like a synthetic fiber pillow. The Seven Comforts pillow insert delivers a truly unique and delectable mixture of comfort and

support that is not available anywhere else.

NOTE: Seven Comforts decorative throw pillows are stored and shipped in plastic packaging. Being sealed in plastic packaging sometimes traps odors. A few hours of airing usually removes the odor.
